

FUNDRAISING OPPORTUNITY – AMAZON SMILE! Incarnation Lutheran has
registered with the Amazon Smile
program. This program allows Amazon shoppers to shop on the
AmazonSmile website (smile.amazon.com)
) for the same products you would shop for at Amazon.com. The difference is
AmazonSmile will donate 0.5% of your purchase to Incarnation Lutheran if you select them when you login on
the website.

How does
AmazonSmile
work?

When first visiting
AmazonSmile
, customers are prompted to select a charitable organization from a list of eligible organizations.
In order to browse or shop at
AmazonSmile
, customers must select a charitable organization. For eligible Amazon purchases, the
AmazonSmile
Foundation will donate 0.5% of the purchase price to the customer's selected charitable
organization.

What's the Catch?

There is no catch! There is no cost to charitable organizations or to AmazonSmile customers. The shopping experience is identical to Amazon.com with the added benefit that the

AmazonSmile

Foundation will donate to the charitable organizations selected by customers. Once you've selected your charitable organization, everything will appear just as it does on Amazon.com. You can see your account, your history, everything you would normally see.

Please note that your charitable organization will only benefit if you start out at

smile.amazon.com

so be sure to bookmark that for all of your 'Amazon' shopping needs.
